| <input type="checkbox"/> <b>A · Copyright Transfer (standard)</b><br>On acceptance, the authors transfer copyright of the article, including all versions and supplementary material, to Security and Information Applications (JSIA), published by CSNET, Universiti Malaya. | <input type="checkbox"/> <b>B · Exclusive Licence to Publish</b><br>Only where a funder or institution requires authors to retain copyright (e.g. Plan S, UKRI, Wellcome). Authors keep copyright and grant JSIA an exclusive, worldwide, royalty-free licence to publish.<br><b>Funder / policy:</b><br>_____ |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## 3. OPEN ACCESS AND RIGHTS RETAINED BY THE AUTHORS

Under either option, JSIA publishes the article open access under the **Creative Commons Attribution 4.0 International License (CC BY 4.0)**: anyone may share, adapt and reuse it with proper credit to the authors and to JSIA. No article processing charges (APC) apply. The authors retain the right to:

- be identified as the authors, and reuse the article in their own thesis, teaching, books and later works, citing JSIA;
- post the preprint, accepted manuscript and published version in repositories and on personal websites, with a link to the article;
- keep patent and other intellectual property rights in any method or tool described.

## 4. WARRANTIES

- The article is original, unpublished and not under consideration elsewhere; all co-authors consent to this agreement.
- It infringes no third-party rights; third-party material is cleared for CC BY 4.0 and acknowledged; any use of generative AI is disclosed.
- If the article is not accepted or is withdrawn before publication, this agreement is void and all rights remain with the authors.

## 5. SIGNATURE (CORRESPONDING AUTHOR, ON BEHALF OF ALL AUTHORS)
